— GETTING STARTED GUIDE —

HOW TO REGISTER

STEP 1: Visit www.watchtveverywhere.com and select “Milford Communications” from the TV provider drop down menu.

STEP 2: Click on “Register.”

You will need two pieces of information to register:

1. Your account number (found on your Milford Communications monthly bill)

Account Summary	
Account Number	00039079-4
Invoice Number	11274237

2. The correct spelling of the last name on the account.

STEP 3: You will be asked to:

- Provide an **email address**. This will be used for your login. (This can be any valid email address.)
- Choose a **password** and confirm the password by re-entering it.

The screenshot shows a registration form on the Milford website. At the top, the Milford logo is on the left, and navigation links for HOME, REGISTER, LOG IN, and LEARN MORE are on the right. The form is titled "Registration" and includes a disclaimer: "You may have to do a one-time registration for each TV service account. The first user registration must be the network account holder. All other users are designated as Primary User. Access to programming is generally limited to the USA and its territories." The form is divided into three sections: "Subscriber Validation" with a field for "Account Number or Username"; "New User Information" with fields for "Last Name (or Email)", "First Name", "Last Name", "Email", "Phone", "Country", "Zip Code", "Password", and "Confirm Password"; and a "Submit" button. A checkbox for "Email opt-in" is also present. A red note states: "To help ensure delivery of your activation email, please add registration@watchteverywhere.com to your address book or Safe Senders list for the email address you register." A "Submit" button is at the bottom of the form.

STEP 4: Once you have filled in all of the information, click the grey **Submit** button.

STEP 5:

- Check the email address you just provided. You will find an email message with your Watch TV Everywhere activation link. Click on the link to complete the registration process.

You registration is complete and you can begin to enjoy Watch TV Everywhere.
